Before you go...

1 Check your tickets

Did you get the right number of tickets? Are they for the right event? If anything is wrong, email us at CustomerService@StubHub.com or call us immediately.

2 Take our number with you – just in case

If you have any problems with your tickets at the venue, call us at **1.866.STUBHUB** (1.866.788.2482).

3 Contact the venue for the latest info

It's the best way to get the most up-to-date and accurate info, like when the doors open and where to park.

4 Remember the StubHub Fans' Code of Conduct

Have fun – but don't forget who made it possible. Follow venue policies and avoid behavior that could impact the seller's standing with a team or venue.

Did you know?

- It's OK if you see the seller's name printed on the tickets
- The seller set the price you paid, so it might be above face value

Ticket printouts are guaranteed

If you received ticket printouts, don't worry! Even though someone else printed them, you have our FanProtect™ Guarantee they're valid – or your money back.

Have a great time!
